

1 Goals of the Responsive Classroom approach to family partnerships:

- Make school an inviting place for all families.
- Build trusting relationships with parents.
- Communicate the approach with families.
- Communicate regularly and consistently with families throughout the year.

2 Explore Strengthening the Parent-Teacher Partnership

With strategies and resources for productive digital communication, positive conferences, mutually beneficial classroom involvement, and more, this book empowers teachers to collaborate confidently with their students' families.

Key topics:

- Strategies for helping all parents feel welcome
- Understanding a culturally plural classroom
- Communicating effectively with families to support student success
- Leveraging the power of parent-teacher conferences
- Strengthening family connections through parent involvement in the classroom
- Conveying the importance of teaching self-discipline
- Managing challenging parent encounters and other situations
- Getting to know and partner with the community
